

VARN Moll-Clean

CLEANERS & REJUVENATORS

Concentrated cloth dampener cover detergent cleaner

MOLL-CLEAN is a blend of cleansers and modern detergents which floats away ink, grease, gum and dirt from dampener covers, leaving them clean as new.

MOLL-CLEAN is a non-foaming, non-caustic, concentrated detergent that cleans in one easy step.

MOLL-CLEAN is based on natural ingredients and can be used for many different market applications including general pressroom degreaser (press frames, floors etc.)

- **CONCENTRATED DETERGENT**
- **ECONOMICAL IN USE**
- **NON-CAUSTIC BASED FORMULA**
- **CAN BE USED IN AUTOMATIC DAMPER WASHING SYSTEMS**

FEATURES	ADVANTAGES	BENEFITS
CONCENTRATED DETERGENT	<ul style="list-style-type: none"> ● cleans rollers in one application 	<ul style="list-style-type: none"> ● economical in use ● reduced downtime
